No matter how long you and your partner have been a couple, every anniversary is a milestone worth celebrating. Sure, six months together might call for a level of romance (and presents) that's different from, say, 50 years—but really, you just want to show your girlfriend, fiancée or wife how much you care. And finding the best anniversary gifts for her is a great place to start.

Shopping for the ultimate token of your love isn't always easy, and it's important to stay focused on who she is as a person as you browse. Think about all of her favorite things, from her go-to hobbies to her most-shopped brands. Would she appreciate a new piece of [jewelry](#), or do you think she'd prefer [perfume](#)? Has she been dropping hints about anything that she wants? Or, is there something that she needs and doesn't even realize it yet?

Your anniversary is an opportunity to give your significant other a thoughtful gift that she wouldn't typically buy herself. So, whether you opt for something sweet but practical—new [running shoes](#) and insanely plush [bath towels](#) come to mind—or over-the-top luxe, like splurge-worthy [pajamas](#), the right present is out there. You just have to find it, and as luck would have it, we've already rounded up some pretty great options for you. Here are 49 of the best anniversary gifts for her to get you started.

Best Anniversary Gift For The Fan Of A Striking Scent

A Bold Floral Fragrance That Will Become Her Go-To

Creed Carmina Eau De Parfum

\$300 AND UP
